## Courses and Classes List

“There are many ways to improve your English speaking skills and accent with me. Let’s find out the best training option for you.”

Jade Joddle  
*English teacher & accent trainer*

### Now choose 1, 2, or 3

1

You are good at teaching yourself new skills and learning by yourself.

2

You need a teacher’s support, or else you don’t improve or finish courses.

3

You don’t have much time, and need a specialist to identify and fix your issue.

# 1. VIDEO ACCENT COURSE

Best for self-motivated learners

- Learn conveniently at your own speed
- Practical repeat-after-me exercises
- Lifetime access to lessons
- Budget-friendly option
- Efficient learning

“I have two video accent training courses, both of which improve your accent and speaking. Pick the course that fits your English level”.

**Clear Accent** is for people who need to improve their English speaking skills. Stop needing to repeat yourself and finally be understood.

**British Accent Training** is for people who speak good English, but want to be even better. Take this course to present your best self in English.

# 2. GROUP ACCENT COURSE

Best for regular support and corrections

- Learn in an interactive group class
- Get corrections and tips from Jade
- Be motivated by the group
- Learn for fun & meet like-minded people
- Make steady progress: one lesson per week
- Complete the course in 8-12 weeks
- Excellent value for money

"I love seeing the huge progress my students make as a result of regularly attending my group courses. Get my expert advice, corrections and support at a fraction of the price."
